souvent plus connue pour ses plages et son tourisme sexuel la thaïlande peine à se débarrasser des clichés souvent sulfureux qu

on lui accolé triangle d'or et plaque tournante de la drogue paradis des lesbiennes gays et transgenres royaume d'opérette et sur le terrain économique le fameux tigre asiatique précis concis et très documenté cet ouvrage est une excellente introduction à ce pays son histoire et ses habitants le meilleur moyen de dépasser ses idées reçues

a treatise on reclaiming personal sovereignty

in 1960s los angeles a powerful network within black and chicana/o organizations transformed the war on poverty and model cities program black and brown activists worked together and separately to use the us federal government's war on poverty as an opportunity to establish programs that would counteract the neglect that led to underfunded schools inadequate housing and a lack of community institutions casey nichols examines this diverse group of intentional and unintentional collaborators she calls poverty rebels which included politicians activists youth professionals community members and local people poverty rebels leveraged federal antipoverty funding to work around the limited capacity of the civil rights act of 1964 to address the dual impact of race and class in african american and mexican american communities they understood that unequal policy had created their urban realities and sought to redefine antipoverty legislation in a way that improved their material lives drawing on a wide range of sources including local and federal government documents oral histories and organizational records nichols examines vital links between the nation's social and political spheres ultimately she argues that black brown relations gained greater national significance during the mid 1960s amid important civil rights victories and social policies to address so called disadvantaged communities by coming into social and political proximity african americans and mexican americans constructed a national dialogue about black brown relations that had shared benefits and that continues to shape policy debates today

salmon a scientific memoir investigates a narrative that is important to the identity of the pacific northwest coast the salmon as an iconic species traditionally it's been a narrative that is overwhelmingly about conflict but is that always necessarily the case the story follows john steinbeck's advice the best way to achieve reality is to combine narrative with scientific data by following ecologists archaeologists and fisheries biologists studying salmon humans and their shared habitat the reader learns about the fish through the eyes of scientists in the field each chapter focuses on a portion of the salmon's journey to and from their natal streams on one of the five pacific salmon species most commercially important to north americans and on the

different ways scientists study the fish it's also about the scientific journey of ecologists archaeologists and fisheries biologists and how the labs gathering data today echo coastal indigenous people who have harvested salmon successfully since the end of the last ice age each group established a reciprocal economic system one that revolves around community and knowledge a system with straightforward rules sometimes as simple as you get what you give

law and legal information directory provides descriptions and contact information for institutions services and facilities in the law and legal information industry

the magna carta also known as the great charter is a foundational document in the history of democracy and the rule of law originally issued in 1215 by king john of england under pressure from rebellious barons the magna carta sought to limit the powers of the monarchy and establish certain legal protections for subjects the document consists of a preamble and 63 clauses addressing various grievances and establishing principles that would influence the development of constitutional law key provisions include the protection of church rights the right to a fair trial and limitations on taxation without representation the magna carta also established the principle that the king was not above the law setting a precedent for future legal reforms and the development of parliamentary democracy though initially a practical solution to a political crisis the magna carta's enduring legacy lies in its symbolic importance it has been celebrated as a cornerstone of liberty and justice influencing subsequent legal documents such as the united states constitution and the universal declaration of human rights the magna carta remains a powerful symbol of the struggle for freedom and the rule of law its principles continue to resonate reminding us of the importance of protecting individual rights and limiting arbitrary power this historic document is a vital part of our collective heritage and a testament to the enduring quest for justice and equality

magna carta holds a special place in the popular imagination of the english this the first major book to explore the great political vision that lay behind it uncovers the mystery of its origins and charts its enduring relevance through the centuries

the simplest definition of the magna carta is that it was a charter originally signed between king john of england and his barons that granted those barons certain liberties and political rights yet the document is so much more than just that the magna carta a latin phrase which translates in english to great charter came to be seen as one of the most important documents

in all of western civilization its significance both its actual and practical implications as well as its perceived and imagined ones influenced the common man's struggle against monarchial rule it had a tremendous influence on the set up of the legal system of england and as the empire of england expanded became the basis for many governments in the western hemisphere the magna carta was the foundation for many of the democracies that would be born over the years especially those that trace their origins to the english crown this short book traces its roots influence and development the original magna carta is also included in this book

to mark the 800th anniversary of the signing of magna carta bestselling historian david starkey explores the magna carta and its influence on britain today

a classic classroom reference since its 1964 publication this indispensable volume offers the full text of magna carta in english as well as a chapter by chapter discussion of its history and provisions in his newly revised commentary on this founding document in the history of constitutionally limited governments a e dick howard places the charter in context of the extraordinary surge of constitutionalism in the aftermath of the cold war magna carta text and commentary is a cogent introduction to magna carta that students everywhere can readily appreciate

the magna carta was an astonishing document in its time as the first document to limit the power of the british monarchy it also protected the rights of the individual the magna carta's impact reverberated throughout history and was on the minds of the american colonists as they prepared to fight england they believed that their rights established by the magna carta had been stripped from them by their mother country this book explains what was happening in england in 1215 when the magna carta was forced into the hands of king john readers will come to understand how the magna carta is still relevant to our nation and world

the magna carta was a landmark document in the history of england and the wider world many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork

magna carta marked a watershed in the relations between monarch and subject and as such has long been central to english

constitutional and political history this volume uses it as a springboard to focus on social economic legal and religious institutions and attitudes in the early thirteenth century what was england like between 1199 and 1215 and no less important how was king john perceived by those who actually knew him the essays here analyse earlier angevin rulers and the effect of their reigns on john s england the causes and results of the increasing baronial fear of the king the managerial revolution of the english church and the effect of the ius commune on english common law they also examine the burgeoning economy of the early thirteenth century and its effect on english towns the background to discontent over the royal forests which eventually led to the charter of the forest the effect of magna carta on widows and property and the course of criminal justice before 1215 the volume concludes with the first critical edition of an open letter from king john explaining his position in the matter of william de briouze contributors janet s loengard ralph v turner john gillingham david crouch david crook james a brundage john hudson barbara hanawalt james masschaele
